

Position Title: Environmental Presenter

Duration: 12-month Contract (opportunity to transition to Full Time position upon completion)

Start date: July 2, 2025

Compensation: \$40,000-\$45,000 salary with benefit package

Location: Based in Calgary area and includes travel within and outside of Alberta

Background:

Earth Rangers is the kids' conservation organization, committed to instilling environmental knowledge, positivity, and the confidence to take action in children. We do this through a suite of programming that children can participate in at school, at home, and in their communities. All of these programs are educational and engaging—but more importantly, they show children that it's not too late to help the planet, and the things we do today will matter tomorrow.

The School Assembly was the first Earth Rangers program, and has been running consistently since 2004. It began in the Greater Toronto Area, expanding across Ontario in 2008 and then across Canada in 2011. The assembly has been delivered to over 2.1 million elementary students from coast to coast to coast, and consistently receives rave reviews from students, teachers, and administrators alike. The program is offered to schools 100% free of charge, has incredible production value, and inspires kids to join Earth Rangers through our follow-up programming.

Historically, all programs have been run out of our head office just outside of Toronto, with delivery teams travelling from there to deliver across the country. However, with the growing demand for our programming and our increasing presence in Western Canada, we are now establishing a team based in Calgary for the first time.

Position Profile:

We are seeking a passionate and energetic individual with experience acting or performing live presentations to deliver the new Earth Rangers School Assembly. The successful candidate will be friendly, outgoing, enjoy interacting with kids and adults, and represent Earth Rangers in a positive and brand-aligned way.

During the school year, the majority of time will be spent delivering the presentation to one or two schools per day, depending on location. While this is a full-time, 40 hour per week position, some days will be longer than 8 hours and some will be shorter, depending on the school bookings schedule. Flexibility is required.

Presentation delivery includes: commuting to/from schools, loading/unloading the show equipment from the vehicle and setting up/tearing down the set in each school.

During times where there are no shows scheduled, other tasks may be assigned related to customer service, content review or development, quality assurance and administration. During the summer months, the focus will be on learning the new presentation and rehearsing.

Many of the schools visited will be in the Calgary area, however travel will also be required outside of the Calgary area, including other areas of Alberta, British Columbia and Saskatchewan. All travel expenses outside of Calgary will be covered by Earth Rangers, including travel to the Earth Rangers Centre north of Toronto for training and rehearsals.

Core Qualifications:

- Comfortable speaking to a large audience
- Minimum 2 years of experience acting, delivering presentations, and/or facilitating educational programs with a young audience
- Ability to set up and adjust A/V equipment (training will be provided)

Position Requirements

- Extensive travel
- Valid driver's license
- Criminal record check

Desired Characteristics

- Dynamic and energetic individual
- Strong interpersonal and verbal communications skills
- A love for kids and the environment
- Ability to lift 50lbs and capable of meeting the physical demands of the position

Please send your cover letter and resume to HR@earthrangers.com.

Potential candidates may be asked to submit an audition tape showcasing their presenting skills, and/or may be invited to the Earth Rangers Centre in Woodbridge Ontario to further demonstrate their presentation abilities.

Earth Rangers is dedicated to fostering a diverse work environment. We will consider all qualified applicants for employment. Applicants that meet the qualifications will be contacted for an on-line interview.

Earth Rangers is committed to accommodating applicants and employees with disabilities. Should you require accommodation or this job description to be available in an accessible format, please advise.
